

# Agreement for Mitigation Work

The undersigned has read, understands and agrees with the following terms and conditions between \_\_\_\_\_ (property owner) of \_\_\_\_\_ (property address) and Boulder Mountain Fire Protection District (BMFPD).

- The Mitigation Coordinator will work in conjunction with the property owner to develop a mitigation plan acceptable to both parties. Trees to be cut or low limbed will be marked in accordance with the plan. Mitigation Coordinator services will be available at no charge.
- The Mitigation Crew rate is \$63 per person per hour for cutting, hauling and travel. Slash material will be hauled to an accessible location for onsite chipping. Chipping services are \$115.50 per hour. Burning of slash (branches) costs \$31.50 per hour. An estimate for work to be performed is \$\_\_\_\_\_. Amount billed will be based on actual work hours.
- Work overage in excess of 15% will not be performed without property owner notification and approval.
- The amount billed is due and payable within 30 days of the invoice date. Any balance remaining unpaid after 30 days will be assessed interest at the rate of 1% per month of the unpaid balance.
- The undersigned owner warrants and represents that he/she is the owner of the property and has full right to direct that the designated trees may be cut or trimmed. The undersigned shall indemnify and hold BMFPD and its employees harmless from any and all claims that may arise from the cutting of any trees designated under the plan that are not on the undersigned's property.
- Any material found to be infected with bark beetle after the date of this cost estimate will be chipped or debarked at the property owner's expense and is not included in estimate.
- Mitigation Crew cutting guidelines are attached and made part of this contract.
